Re: Request by Lockheed Martin Global Telecommunications Services, Inc. to Withdraw  
its Tariff for Interexchange Telecommunications Services in the State of Kentucky

Dear Mr. Dorman,

Lockheed Martin Global Telecommunications Services, Inc. ("LMGTS"), by its counsel, respectfully requests that the Commission grant the Company leave to withdraw its tariff for the provision of resold interexchange services. LMGTS's tariff became effective on October 11, 2001. Due to changing conditions in the market this past year, however, the strategic business plans of LMGTS's ultimate parent, Lockheed Martin Corporation, have undergone significant restructuring. Central among the changes is the decision by the Company not to operate as a provider of regulated telecommunications services. LMGTS is not operating in Kentucky and has no customers in the state. Consequently, no customers will be adversely affected by these actions and there are no customers to be notified.

Please date-stamp the enclosed duplicate of this filing and return it in the envelope provided. If there are any questions regarding this submission or if anything further must be done to effectuate the Company's withdrawal, please contact me at (703) 918-2315. Thank you in advance for your assistance with this matter.

Cordially,

*Winafred Brantl*
